

## CFIA LABELING REQUIREMENTS CHECKLIST

To ensure your labels are fully compliant, here's a concise checklist based on CFIA guidelines:

1

### PRODUCT NAME

Clearly state the common or generic name of the product.

### NET QUANTITY

Declare the amount of product in metric units (grams, milliliters).

2

3

### INGREDIENT LIST

List all ingredients in descending order by weight.

### NUTRITION FACTS TABLE

Include a CFIA-compliant nutrition facts table.

4

5

### ALLERGEN INFORMATION

Clearly identify any allergens, gluten sources, and added sulphites.

### BILINGUAL REQUIREMENTS

Ensure mandatory information is presented in both English and French.

6

7

### 7 COUNTRY OF ORIGIN

For imported products, include the country of origin.

### MANUFACTURER INFORMATION

Provide the name and address of the manufacturer or distributor.
